Note:

Schmiedeleut Group 2 made allegations that Jacob Kleinsasser was misusing church funds and committing other offences so they attempted to remove him from his elder position. The attempt failed so they decided to form their own church with their own Church Constitution as of 1992. According to the website [www.hutterites.org] Schmiedeleut Group 2 does not have a elder. According to a Hutterite source Jacob Gross is the elder for Schmiedeleut Group 2 resulting from the 1992 Schmiedeleut split.

The "Leut"

Differences among the leut

[Nigeria I](#)[Admin L](#)[Check](#)[Hutterite S](#)[Hutterite Direc](#)

Three different branches of Hutterites live in the prairies of North America, the Schmiedeleut, the Dariusleut and the Lehrerleut. Even though all three "leut" are Hutterites, there are some distinctive differences. However, it should be noted, that the original doctrine of all three groups is identical. The differences are mostly traditional and geographical.

1. Schmiedeleut

Hutterian Brethren (Group 1) (Elder Jacob Kleinsasser, Crystal Spring, MB)
Group 2 Hutterites (Group 2 or Committee Hutterites)

2. Dariusleut (Elder Martin Walter, Spring Point Colony, AB)**3. Lehrerleut** (Elder John Wipf, Rose Town Colony, SK)

The Schmiedeleut subdivided into two groups, the Hutterian Brethren and the Committee Hutterites, in 1992.

**Geographical Locations of Hutterites**

The Lehrerleut and the Dariusleut are located in the north-western part of North America, in Saskatchewan, Alberta, British Colombia, Montana, and Washington and Oregon.

The Schmiedeleut are all found in central North America in the province of Manitoba and the states of North Dakota, South Dakota, and Minnesota.
