Subject: Grant Hutt Brethren Inc, Ipswich, SD 57451

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Grant Hutt Brethren Inc fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony and member of the Hutterian Brethren Church due to a lack of evidence.

Data for Grant Hutt Brethren Inc that fits a profile of a Hutterite colony:

1) Name: Grant Hutt Brethren Inc, Ipswich, SD 57451 (USDA farm subsidy recipient) 2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

IRS Organization Name and Location:

[Grant Hutterian Brethren Inc, Ipswich, SD 57451-5606]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2003 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/28/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[861050747, Grant Hutterian Brethren Inc, SD, 501(d), 07/2003 = IRS]

[861050747, Grant Hutterian Brethren Inc, SD, 501(d), 2003.....= NCCS]

[861050747, Grant Hutterian Brethren Inc, SD, 501(d), 07-2003 = Melissa Data]

[no data......, Grant Hutterian Brethren Inc, SD, 501(d), 07/2003 = TaxExemptWorld.com]

Comparison of data demonstrates all data is the same basic data.

4:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$426,353.65 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$426,354 (note: rounded off calculation)

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

5:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form

1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/28/09.

(page 1)
1:
Refer to the original findings for Section LF for data. This findings includes updated data.
IRS EO/BMF data found for Section LF and Section NE 1 but the organization locations are in
South Dakota and North Dakota. EIN data indicates the organization names and updated
locations are the same identity. The EIN data is:
a) IRS organization name:
   [Grant Hutterian Brethren Inc, 12434 364th Ave, Ipswich, SD 57451-5606]
  EIN: 861050747
   (IRS 12/7/2009, data from Section LF)
b) IRS organization name:
   [Grant Hutterian Brethren Inc, 5543 129th Ave SE, Enderlin, ND 58027-9642]
  EIN: 861050747
   (IRS 11/12/2011, data from Section NE 1)
3:
Comparison of IRS EO/BMF data with Melissa Data:
[Data Date: (IRS 11/12/2011), (Melissa Data 11/12/2011)]
[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]
[861050747, Grant Hutterian Brethren Inc, ND, 501(d), 07/2003 = IRS]
[861050747, Grant Hutterian Brethren Inc, ND, 501(d), 07-2003 = Melissa Data]
Comparison of data demonstrates all data is the same basic data.
The IRS data is included with the evidence to verify the Employer Identification Number (EIN)
found with the Melissa Data data for 'Tax I.D. Number'. The process of verification of EIN data
will help to establish the validity of the Melissa Data data.
IRS EO/BMF data (12/7/2009):
1) Name:
  [Grant Hutterian Brethren Inc, 12434 364th Ave, Ipswich, SD 57451-5606]
2) Employer Identification Number (EIN): 861050747
3) IRC Section: 501(d) Apostolic and religious organization
4) Ruling Date: 07/2003
Melissa Data (11/12/2011):
1) Name:
  [Grant Hutterian Brethren Inc, 5543 129th Ave SE, Enderlin, ND 58027-9642]
2) Tax I.D. Number: 861050747
3) IRS Subsection: 501(d) - A religious and apostolic association.
4) Exempt Since: 07-2003
```

> Findings for Section NE 1, for:

> Findings for Section NE 1, for:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

(page 2)

5:

Update for findings for IRS data (Section LF and Section NE 1):

a:

USDA Business Name and Location:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

[A.K.A. (also known as): Grant Hutterian Brethern Associa, Enderlin, ND 58027]

IRS Organization Name and Location:

a) IRS organization name:

[Grant Hutterian Brethren Inc, 12434 364th Ave, Ipswich, SD 57451-5606]

EIN: 861050747

(IRS 12/7/2009, data from Section LF)

b) IRS organization name:

[Grant Hutterian Brethren Inc, 5543 129th Ave SE, Enderlin, ND 58027-9642]

EIN: 861050747

(IRS 11/12/2011, data from Section NE 1)

EIN data establishes the 2 IRS organization names are the same identity.

b:

The IRS organization names are not the same as the USDA business name. All of the names and updated locations can represent the same identity. If the IRS organization names and USDA business name are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2003 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

C:

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2003-2006, 2008-2009.

6:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for: [Grant Hutt Brethren Inc, Ipswich, SD 57451] (page 1) 1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2(a):

The IRS organization names are not the same as the USDA business name. All of the names and updated locations can represent the same identity. If the IRS organization names and USDA business name are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2003 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 2(b):

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2003-2006, 2008-2009.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$470,666.29 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$470,666 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2003-2006, 2008-2009.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

> Conclusion for Section NE 1, for:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

(page 2) 4:

Recommendation:

> Step 1

Determine if organization is a Hutterite colony.

Name: Grant Hutt Brethren Inc, Ipswich, SD 57451

A.K.A. (also known as): Grant Hutterian Brethern Associa, Enderlin, ND 58027

IRS organization name: Grant Hutterian Brethren Inc

> Step 2

Determine IRS organization names as same identity as USDA business name.

USDA Business Name and Location:

[Grant Hutt Brethren Inc, Ipswich, SD 57451]

[A.K.A. (also known as): Grant Hutterian Brethern Associa, Enderlin, ND 58027]

IRS Organization Name and Address:

[Grant Hutterian Brethren Inc, 12434 364th Ave, Ipswich, SD 57451-5606]

(IRS 12/7/2009, data from Section LF)

[Grant Hutterian Brethren Inc, 5543 129th Ave SE, Enderlin, ND 58027-9642]

(IRS 11/12/2011, data from Section NE 1)

EIN data establishes the 2 IRS organization names are the same identity.

> Step 3

If a determination of IRS organization names as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Grant Hutt Brethren Inc, Ipswich, SD 57451

Different Business Names:

1) EWG/USDA farm subsidy data: Grant Hutterian Brethern Associa, Enderlin, ND 58027 (Section NE 1, (A)List 1(2))

Timeframe for IRC section data: 2003-2009

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

^{*} Most recent percentage share information is from 2008. According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not equal 100 percent.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the little companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Grass Ranch Hutt Breth Inc, Kimball, SD 57355]

IRS Organization Name and Location:

[Grass Ranch Hutterian Brethren Inc, Kimball, SD 57355-7100]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 02/1988 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/28/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460395579, Grass Ranch Hutterian Brethren Inc, SD, 501(d), 02/1988 = IRS]

[460395579, Grass Ranch Hutterian Brethren Inc, SD, 501(d), 1988.....= NCCS]

[460395579, Grass Ranch Hutterian Brethren Inc, SD, 501(d), 02-1988 = Melissa Data]

[no data......, Grass Ranch Hutterian Brethren Inc, SD, 501(d), 02/1988 =

TaxExemptWorld.com]

Comparison of data demonstrates all data is the same basic data. 4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is

not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/28/09.

(page 3)

5:

Update for findings for IRS data (Section LF and Section NE 1):

a:
```

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 02/1988 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

* According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

^{*} According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these little companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately. NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Subject: Hutterville Hutterian Brethren In, Stratford, SD 57474

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

Hutterville Hutterian Brethren In is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony. The addition of 'In' at the end of the name is probably a reference to Inc.

Data for Hutterville Hutterian Brethren In for ID as a Hutterite colony:

- 1) Name: Hutterville Hutterian Brethren In, Stratford, SD 57474
- 2) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1982 | Hutterville | Stratford | Spink | Waldner]

3) Rocky Cape Christian Community/Hutterite colony data:

[Hutterville, SD, 1982 - present (note: Schmiedeleut)]

4) Hutterite Directory (for Hutterville Colony):

[Hutterville, 14625 - 401st. Ave., Stratford, SD 57474-7204]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Hutterville Hutterian Brethren In, Stratford, SD 57474]

IRS Organization Name and Location:

[Hutterville Hutterian Brethren Inc, Stratford, SD 57474-7204]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 05/1984 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization. 3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/28/2009)]

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 05/1984 = IRS]

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 1984.....= NCCS]

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 05-1984 = Melissa Data]

[no data......, Hutterville Hutterian Brethren Inc, SD, 501(d), 05/1984 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/28/09.

Hutterville Hutterian Bretheran fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony and member of the Hutterian Brethren Church due to a lack of evidence. Data for Hutterville Hutterian Bretheran that fits a profile of a Hutterite colony:

- 1) Name: Hutterville Hutterian Bretheran, Stratford, SD 57474 (USDA farm subsidy recipient)
- 2) Manta data (1):

3) Manta data (2):

[Hutterville Hutterian Brethren Inc also does business as Hutterville Colony School] [Hutterville Hutterian Brethren Inc, Aberdeen, SD 57401]

4) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1982 | Hutterville | Stratford | Spink | Waldner]

5) Rocky Cape Christian Community/Hutterite colony data: [Hutterville, SD, 1982 - present (note: Schmiedeleut)]

6) Hutterite Directory (for Hutterville Colony):

[Hutterville, 14625 - 401st. Ave., Stratford, SD 57474-7204]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Hutterville Hutterian Bretheran, Stratford, SD 57474]

IRS Organization Name and Location:

[Hutterville Hutterian Brethren Inc, Stratford, SD 57474-7204]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 05/1984 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization. 3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/28/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 05/1984 = IRS] [460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 1984..... = NCCS]

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 05-1984 = Melissa Data]

[no data......, Hutterville Hutterian Brethren Inc, SD, 501(d), 05/1984 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS,

Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/28/09.

> Findings for Section NE 1, for: [Hutterville Hutterian Brethren In, Stratford, SD 57474] (page 1) 1: Refer to the original findings for Section LF for data. This findings includes updated data. The evidence includes 2 EWG datasets, as Part 1 and Part 2, for: a) Hutterville Hutterian Brethren In, Stratford, SD 57474 (subject from Part 1) b) Hutterville Hutterian Bretheren I, Stratford, SD 57474 (subject from Part 2) 2(b): 'Summary' data will establish that these farm subsidy data records are for the same organization: a) Hutterville Hutterian Brethren In, Stratford, SD 57474 (data timeframe 1995-2006, subject from Section LF) b) Hutterville Hutterian Brethren In, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 1) 2(c): 'Summary' data will establish that these farm subsidy data records are for the same organization: a) Hutterville Hutterian Bretheran, Stratford, SD 57474 (data timeframe 1995-2006, subject from Section LF) b) Hutterville Hutterian Bretheren I, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 2) 2(d): USDA farm subsidy data, ownership shares data, and name identification, will establish that these farm subsidy data records are for the same organization: a) Hutterville Hutterian Brethren In, Stratford, SD 57474 (data timeframe 1995-2006, subject from Section LF) b) Hutterville Hutterian Brethren In, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 1) c) Hutterville Hutterian Bretheran, Stratford, SD 57474 (data timeframe 1995-2006, subject from Section LF) d) Hutterville Hutterian Bretheren I, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 2) 2(e): 'Ownership shares' data shows the 'Members Of Hutterville Colony' hold a 100% Percentage Share in: a) Hutterville Hutterian Brethren In, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 1) b) Hutterville Hutterian Bretheren I, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 2) Hutterite Directory recognizes [Hutterville Colony, Stratford, SD 57474] as a Hutterite colony, so both names ((a) and (b)) are the same identity.

> Findings for Section NE 1, for:

[Hutterville Hutterian Brethren In, Stratford, SD 57474] (page 2)

2(f):

The USDA farm subsidy total for these 2 data records can be combined to represent one total for the same organization:

a) Hutterville Hutterian Brethren In, Stratford, SD 57474

(data timeframe 1995-2010, subject from Section NE 1, Part 1)

b) Hutterville Hutterian Bretheren I, Stratford, SD 57474

(data timeframe 1995-2010, subject from Section NE 1, Part 2)

The reason for the 2 different data records is they represent farm subsidy data from Brown County, SD, and Spink County, SD, at various times.

Note:

'Subsidy Payments' data for [Hutterville Hutterian Brethren In, Stratford, SD 57474] (as the subject from Section NE 1, Part 1) shows a data conflict but 'Programs' (Payment Breakdown) data will validate the 'Subsidy Total' figure.

3:

Findings from Section LF for [Hutterville Hutterian Bretheran] did not confirm the organization as a Hutterite colony. The organization can be confirmed as a Hutterite colony by ownership shares data for [Hutterville Hutterian Bretheren I, Stratford, SD 57474].

Data for Hutterville Hutterian Bretheran for ID as Hutterite colony:

- 1) Name: Hutterville Hutterian Bretheran, Stratford, SD 57474 (data timeframe 1995-2006, subject from Section LF)

 - b) Hutterville Hutterian Bretheren I, Stratford, SD 57474 (data timeframe 1995-2010, subject from Section NE 1, Part 2)
- 3) 'Ownership shares' data for:

[Hutterville Hutterian Bretheren I, Stratford, SD 57474] (data timeframe 1995-2010, subject from Section NE 1, Part 2)

Data:

- a) 'Members Of Hutterville Colony' hold a 100% Percentage Share.
- b) 'Recipient's ownership share(s)' data for the 'Members Of Hutterville Colony' shows a recipient as 'Hutterville Hutterian Brethren In'.
- 4) Hutterite Directory (for Hutterville Colony):

4(a):

The Melissa Data webpage data for [Hutterville Hutterian Brethren Inc] is the same for the new data from 7/21/2011 and the original data from 10/28/2009 found in Section LF of the List of Evidence for these 2 names:

- a) Hutterville Hutterian Brethren In, Stratford, SD 57474

[460370163, Hutterville Hutterian Brethren Inc, SD, 501(d), 05-1984 = Melissa Data (7/21/2011)]

Comparison of data demonstrates all data is the same basic data.

6:

Update for findings for IRS data (Section LF and Section NE 1):

(note: update applies to all datasets introduced for a List of Evidence for USDA farm subsidy recipient Hutterville Hutterian Brethren in various forms spelled correctly or incorrectly)

a

The IRS organization name is not the same as the USDA business names. All of the names are similar and in the same location so there is a possibility that all of the names are the same identity. If the all of the names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 05/1984 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Hutterville Hutterian Brethren In, Stratford, SD 57474]

(page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business names. All of the names are similar and in the same location so there is a possibility that all of the names are the same identity. Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Lakeview Colony, Lake Andes, SD 57356

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1

Lakeview Colony is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on data for ID as a Hutterite colony. Lakeview (Lake View) Colony is a recognized Hutterite colony, Hutterite surnames are found at Lakeview Colony, and Lake View Colony is included in the Hutterite Directory.

Data for Lakeview Colony for ID as a Hutterite colony:

- 1) Name: Lakeview Colony, Lake Andes, SD 57356
- 2) EWG/USDA ownership shares data, Hutterite Surnames: Gross, Hofer, Wipf
- 3) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1988 | Lakeview | Lake Andes | Maxwell | Hofer]

4) Rocky Cape Christian Community/Hutterite colony data:

[Lake View, SD, 1988 - present (note: Schmiedeleut)]

5) Hutterite Directory (for Lake View Colony):

[Lake View, 28748 - 386th Ave., Lake Andes, SD 57356-6730]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Lakeview Colony, Lake Andes, SD 57356]

IRS Organization Name and Location:

[Lakeview Hutterian Brethren Inc, Lake Andes, SD 57356-6730]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 08/1989 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/28/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460404616, Lakeview Hutterian Brethren Inc, SD, 501(d), 08/1989 = IRS]

[460404616, Lakeview Hutterian Brethren Inc. SD, 501(d), 1989.....= NCCS]

[460404616, Lakeview Hutterian Brethren Inc. SD, 501(d), 08-1989 = Melissa Data]

[no data......, Lakeview Hutterian Brethren Inc, SD, 501(d), 08/1989 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

4.

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/28/09.

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Lakeview Colony, Lake Andes, SD 57356]

USDA farm subsidy total:

2) Subsidy Payments 1995-2006 Total: \$766,820 (note: rounded off calculation)

IRC Section: (unknown)

> Findings for Section NE 1, for:

[Lakeview Colony, Lake Andes, SD 57356] (page 1)

(pa

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Lakeview Hutterian Brethren Inc] is the same for the new data from 7/21/2011 and the original data from 10/28/2009 found in Section LF. 2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/21/2011), (IRS 12/7/2009, Melissa Data 10/28/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460404616, Lakeview Hutterian Brethren Inc, SD, 501(d), 08/1989 = IRS]

[460404616, Lakeview Hutterian Brethren Inc, SD, 501(d), 08-1989 = Melissa Data]

[460404616, Lakeview Hutterian Brethren Inc, SD, 501(d), 08-1989 = Melissa Data (7/21/2011)] Comparison of data demonstrates all data is the same basic data.

2(c):

Melissa Data address comparison:

[Lakeview Hutterian Brethren Inc, 28748 386th Ave, Lake Andes, SD 57356-6730 = Melissa Data (10/28/2009)]

[Lakeview Hutterian Brethren Inc, 28748 386th Ave, Lake Andes, SD 57356-6730 = Melissa Data (7/21/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 7/21/2011 and 10/28/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Lakeview Hutterian Brethren Inc, 28748 386th Ave, Lake Andes, SD 57356-6730]

- 2) Employer Identification Number (EIN): 460404616
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 08/1989

Melissa Data (7/21/2011):

1) Name:

[Lakeview Hutterian Brethren Inc, 28748 386th Ave, Lake Andes, SD 57356-6730]

- 2) Tax I.D. Number: 460404616
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 08-1989

```
> Findings for Section NE 1, for:

[Lakeview Colony, Lake Andes, SD 57356]

(page 2)

4:

Update for findings for IRS data (Section LF and Section NE 1):
```

The IRS organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 08/1989 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 5:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Lakeview Colony, Lake Andes, SD 57356]

(page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 08/1989 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Lakeview Colony, Lake Andes, SD 57356]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$766,820.07 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$766,820 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2001.

IRC Section: (unknown)
Ruling Date: (unknown)
Operating As: Hutterite colony

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Lakeview Colony, Lake Andes, SD 57356]

IRS Organization Name and Address:

[Lakeview Hutterian Brethren Inc, 28748 386th Ave, Lake Andes, SD 57356-6730]

Hutterite Directory (for Lake View Colony):

[Lake View, 28748 - 386th Ave., Lake Andes, SD 57356-6730]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Lakeview Colony, Lake Andes, SD 57356

Timeframe for IRC section data: 1995-2001

Data from Section LF:

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or tandowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

^{*} According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

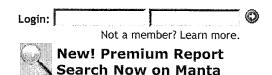

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately. NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Maxwell Colony, Scotland, SD 57059]

IRS Organization Name and Location:

[Maxwell Hutterian Brethren Inc, Scotland, SD 57059-7200]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1995 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3.

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/30/09.

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/30/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460229905, Maxwell Hutterian Brethren Inc, SD, 501(d), 01/1995 = IRS] [460229905, Maxwell Hutterian Brethren Inc, SD, 501(d), 1995.....= NCCS] [460229905, Maxwell Hutterian Brethren Inc, SD, 501(d), 01-1995 = Melissa Data] [no data......, Maxwell Hutterian Brethren Inc, SD, 501(d), 01/1995 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

5:

Update for findings for IRS data (Section LF and Section NE 1):

a

The IRS organization name is not the same as the USDA business names. All of the names represent a common identity and are in the same location so there is a possibility that all of the names are the same identity. If all of the names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1995 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

h:

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

6:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

- > Conclusion for Section NE 1, for:
- a) Original Subject: Maxwell Colony, Scotland, SD 57059
- b) Subject for Section NE 1: Maxwell Hutterian Brethren, Scotland, SD 57059 (page 1)

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2(a):

The IRS organization name is not the same as the USDA business names. All of the names represent a common identity and are in the same location so there is a possibility that all of the names are the same identity. If all of the names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1995 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

2(b):

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

3:

- > Conclusion for Section NE 1, for:
- a) Original Subject: Maxwell Colony, Scotland, SD 57059
- b) Subject for Section NE 1: Maxwell Hutterian Brethren, Scotland, SD 57059 (page 2)

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business names.

USDA Business Name and Location:

[Maxwell Colony, Scotland, SD 57059] (data timeframe 1995-2006)

[Maxwell Hutterian Brethren, Scotland, SD 57059] (data timeframe 1995-2010)

IRS Organization Name and Address:

[Maxwell Hutterian Brethren Inc, 42805 Maxwell Rd, Scotland, SD 57059-7200]

Manta data: Maxwell Colony also does business as Maxwell Hutterian Brethren Inc

[Maxwell Colony, 42805 Maxwell Rd, Scotland, SD 57059-7200]

> Step 2

If a determination of IRS organization name as same identity as USDA business names cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Maxwell Hutterian Brethren, Scotland, SD 57059

USDA business name (10/30/2009): Maxwell Colony, Scotland, SD 57059

Timeframe for IRC section data: 1995-2010

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Mayfield Hutterian Brethren, Willow Lake, SD 57278

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

Mayfield Hutterian Brethren is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony.

Data for Mayfield Hutterian Brethren for ID as a Hutterite colony:

- 1) Name: Mayfield Hutterian Brethren, Willow Lake, SD 57278
- 2) EWG/USDA ownership shares data, Hutterite Surnames: Glanzer, Hofer, Stahl, Waldner
- 3) Manta data: Mayfield Hutterian Brethren Inc also does business as Mayfield Colony [Mayfield Hutterian Brethren Inc, 43188 Mayfield Rd, Willow Lake, SD 57278]
- 4) FEEFHS/Hutterite colony data:

5) Rocky Cape Christian Community/Hutterite colony data: [Mayfield, SD, 1987 - present (note: Schmiedeleut)]

6) Hutterite Directory (for Mayfield Colony):

[Mayfield, 43188 Mayfield Rd., Willow Lake, SD 57278-5401]

2

IRS EO/BMF data not found so do not know IRC section.

3.

Different Business Names:

1) Manta data: Mayfield Hutterian Brethren Inc also does business as Mayfield Colony

4:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Mayfield Hutterian Brethren, Willow Lake, SD 57278]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$1,100,598.79 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$1,100,599 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: Hutterite colony

> Findings for Section NE 1, for: [Mayfield Hutterian Brethren, Willow Lake, SD 57278] (page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2:

'Farm Location(s)' (addresses on file) subsidy payments data shows a data conflict. The data conflict will not invalidate the figure [Subsidy Total 1995-2010: \$1,435,455.79] because 'Programs' (Payment Breakdown) data will validate the figure. The data is:

Total USDA - Subsidies = \$1,435,456

Subtotal, Farming Subsidies = \$1,227,317

Subtotal, Conservation Programs = \$180,219

Subtotal, Disaster Payments = \$27,920

(note: EWG will express a exact figure as a rounded off figure for their calculations)

3:

Melissa Data for [Mayfield School] is included with the new evidence as data for investigation. The location of the school is the same as the location of the USDA business name. The address of the school is the same as the Hutterite Directory address for Mayfield Colony.

4:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Mayfield Hutterian Brethren, Willow Lake, SD 57278]

(page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

IRS EO/BMF data not found for original evidence.

Melissa Data for [Mayfield School] is included with the new evidence as data for investigation. The location of the school is the same as the location of the USDA business name. The address of the school is the same as the Hutterite Directory address for Mayfield Colony.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Mayfield Hutterian Brethren, Willow Lake, SD 57278]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$1,435,455.79 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$1,435,456 (note: rounded off calculation) (note: 'Subsidy Payments' data shows a data conflict but 'Programs' (Payment Breakdown) data will validate the 'Subsidy Total' figure)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

4:

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Newdale Hutt Breth Inc, Elkton, SD 57026

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Newdale Hutt Breth Inc fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony and member of the Hutterian Brethren Church due to a lack of evidence.

Data for Newdale Hutt Breth Inc that fits a profile of a Hutterite colony:

- 1) Name: Newdale Hutt Breth Inc, Elkton, SD 57026 (USDA farm subsidy recipient)
- 2) EWG/USDA ownership shares data, Hutterite Surnames: Waldner
- 3) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1993 | Newdale | Elkto | Hillside | Waldner]

4) Rocky Cape Christian Community/Hutterite colony data:

[Newdale, SD, 1993 - present (note: Schmiedeleut)]

5) Hutterite Directory (for Newdale Colony):

[Newdale, 21336 - 484th Ave., Elkton, SD 57026-6628]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Newdale Hutt Breth Inc, Elkton, SD 57026]

IRS Organization Name and Location:

[Newdale Hutterian Brethren Inc, Elkton, SD 57026-6628]

Comparison of data demonstrates all data is the same basic data.

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 10/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/31/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 10/1981 = IRS] [460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 1981.....= NCCS] [460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 10-1981 = Melissa Data] [no data......, Newdale Hutterian Brethren Inc, SD, 501(d), 10/1981 = TaxExemptWorld.com]

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/31/09.

5:

Different Business Names:

1) Manta data: New Dale Colony Inc also does business as New Dale School

6:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Newdale Hutt Breth Inc, Elkton, SD 57026]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$355,460.25 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$355,460 (note: rounded off calculation)

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

The addresses are technically the same. The Employer Identification Number (EIN) is the same for both datasets so the data is for the same organization. 3(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 10/31/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 10/1981 = IRS]

[460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 10-1981 = Melissa Data]

[460363790, Newdale Hutterian Brethren Inc, SD, 501(d), 10-1981 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data.

3(c):

Melissa Data address comparison:

[Newdale Hutterian Brethren Inc, 21336 484th Avenue, Elkton, SD 57026-6628 = Melissa Data (10/31/2009)]

[Newdale Hutterian Brethren Inc, 21336 484th Ave, Elkton, SD 57026-6628 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are not the same. The addresses are technically the same.

3(d):

The Employer Identification Number (EIN) from 3(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 3(b) is the same from 7/22/2011 and 10/31/2009. The address comparison data for Melissa Data in 3(c) is not the same from 7/22/2011 and 10/31/2009. The addresses are technically the same.

IRS EO/BMF data (12/7/2009):

1) Name:

[Newdale Hutterian Brethren Inc, 21336 484th Avenue, Elkton, SD 57026-6628]

- 2) Employer Identification Number (EIN): 460363790
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 10/1981

- 2) Tax I.D. Number: 460363790
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 10-1981

```
> Findings for Section NE 1, for:
[Newdale Hutt Breth Inc, Elkton, SD 57026]
(page 3)
5:
```

Update for findings for IRS data (Section LF and Section NE 1):

a

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 10/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 6:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 10/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Newdale Hutt Breth Inc. Elkton, SD 57026]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$379,409.25 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$379,409 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Newdale Hutt Breth Inc, Elkton, SD 57026]

IRS Organization Name and Address:

[Newdale Hutterian Brethren Inc, 21336 484th Avenue, Elkton, SD 57026-6628]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Newdale Hutt Breth Inc, Elkton, SD 57026

Timeframe for IRC section data: 1995-2010

Data from Section LF:

Hutterite Directory (for Newdale Colony):

[Newdale, 21336 - 484th Ave., Elkton, SD 57026-6628]

Different Business Names:

1) Manta data: New Dale Colony Inc also does business as New Dale School [New Dale Colony Inc, 21336 484th Ave, Elkton, SD 57026]

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

^{*} According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Norfeld Hutterian Brethren, Gann Valley, SD 57341

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Norfeld Hutterian Brethren is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony.

Data for Norfeld Hutterian Brethren for ID as a Hutterite colony:

- 1) Name: Norfeld Hutterian Brethren, Gann Valley, SD 57341
- 2) IRS EO/BMF data:
 - a) Name: Norfeld Hutterian Brethren Inc, Gann Valley, SD 57341-0188
 - b) IRC Section:
 - 1) IRM Table: 501(d) Apostolic and religious organization
 - 2) SOI Table: 501(d) Apostolic and Religious Org.
- 3) Hutterite Directory (for Norfeld Colony): Norfeld, 20426 482nd Ave., White, SD 57276

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341]

IRS Organization Name and Location:

[Norfeld Hutterian Brethren Inc, Gann Valley, SD 57341-0188]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 06/2002 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization. 3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 10/31/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 06/2002 = IRS]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 2002.....= NCCS]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 06-2002 = Melissa Data]

[no data......, Norfeld Hutterian Brethren Inc, SD, 501(d), 06/2002 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

<u>.</u>

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 10/31/09.

> Findings for Section NE 1, for:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341]

(page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Norfeld Hutterian Brethren Inc] is the same for the new data from 7/22/2011 and the original data from 10/31/2009 found in Section LF, except for the address. The Employer Identification Number (EIN) is the same for both datasets so the data is for the same organization.

2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 10/31/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 06/2002 = IRS]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 06-2002 = Melissa Data]

[010601882, Norfeld Hutterian Brethren Inc, SD, 501(d), 06-2002 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data.

2(c):

Melissa Data address comparison:

[Norfeld Hutterian Brethren Inc, PO Box 188, Gann Valley, SD 57341-0188 = Melissa Data (10/31/2009)]

[Norfeld Hutterian Brethren Inc, 20426 482nd Ave, White, SD 57276-6017 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are not the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) is the same from 7/22/2011 and 10/31/2009. The address comparison data for Melissa Data in 2(c) is not the same from 7/22/2011 and 10/31/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Norfeld Hutterian Brethren Inc, PO Box 188, Gann Valley, SD 57341-0188]

- 2) Employer Identification Number (EIN): 010601882
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 06/2002

Melissa Data (7/22/2011):

1) Name:

[Norfeld Hutterian Brethren Inc, 20426 482nd Ave, White, SD 57276-6017]

- 2) Tax I.D. Number: 010601882
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 06-2002

```
> Findings for Section NE 1, for:
[Norfeld Hutterian Brethren, Gann Valley, SD 57341]
(page 2)
```

Update for findings for IRS data (Section LF and Section NE 1):

a

The IRS organization name is not the same as the USDA business name. The 2 names are similar and the locations are the same identity so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 06/2002 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. b:

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2002-2010.

5:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341]

(page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2(a):

The IRS organization name is not the same as the USDA business name. The 2 names are similar and the locations are the same identity so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 06/2002 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 2(b):

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2002-2010.

3

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$510,520.97 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$510,521 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2002-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341] (page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Norfeld Hutterian Brethren, Gann Valley, SD 57341]

IRS Organization Name and Address:

[Norfeld Hutterian Brethren Inc, PO Box 188, Gann Valley, SD 57341-0188] (IRS 12/7/2009)

[Norfeld Hutterian Brethren Inc, 20426 482nd Ave, White, SD 57276-6017]

(Melissa Data 7/22/2011)

(note: EIN data will establish that both IRS organization names are the same identity)

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Norfeld Hutterian Brethren, Gann Valley, SD 57341

Timeframe for IRC section data: 2002-2010

Data from Section LF:

Hutterite Directory (for Norfeld Colony): Norfeld, 20426 482nd Ave., White, SD 57276

Different Business Names:

1) Manta data: Norfeld Brethren Colony, 20426 482nd Ave, White, SD 57276-6017

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the little companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

^{*} According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to
