List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Setting Sun Hutterian Brethren In, Delmont, SD 57330

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Setting Sun Hutterian Brethren In is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony. The addition of 'In' at the end of the name is probably a reference to Inc.

Data for Setting Sun Hutterian Brethren In for ID as a Hutterite colony:

- 1) Name: Setting Sun Hutterian Brethren In, Delmont, SD 57330
- 2) IRS EO/BMF data:
  - a) Name: Setting Sun Hutterian Brethren Inc, Delmont, SD 57330-6908
  - b) IRC Section:
    - 1) IRM Table: 501(d) Apostolic and religious organization
    - 2) SOI Table: 501(d) Apostolic and Religious Org.

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330]

IRS Organization Name and Location:

[Setting Sun Hutterian Brethren Inc, Delmont, SD 57330-6908]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2005 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/3/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07/2005 = IRS]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 2005.....= NCCS]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07-2005 = Melissa Data]

[no data......, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07/2005 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 11/3/09.

5:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330]

USDA farm subsidy total:

2) Subsidy Payments 1995-2006 Total: \$116,615 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

> Findings for Section NE 1, for:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330] (page 1)

**1**:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Setting Sun Hutterian Brethren Inc] is the same for the new data from 7/22/2011 and the original data from 11/3/2009 found in Section LF. 2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/3/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07/2005 = IRS]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07-2005 = Melissa Data]

[202274904, Setting Sun Hutterian Brethren Inc, SD, 501(d), 07-2005 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data.

2(c):

Melissa Data address comparison:

[Setting Sun Hutterian Brethren Inc, 40248 293rd St, Delmont, SD 57330-6908 = Melissa Data (11/3/2009)]

[Setting Sun Hutterian Brethren Inc, 40248 293rd St, Delmont, SD 57330-6908 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 7/22/2011 and 11/3/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Setting Sun Hutterian Brethren Inc, 40248 293rd St, Delmont, SD 57330-6908]

- 2) Employer Identification Number (EIN): 202274904
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 07/2005

Melissa Data (7/22/2011):

1) Name:

[Setting Sun Hutterian Brethren Inc, 40248 293rd St, Delmont, SD 57330-6908]

- 2) Tax I.D. Number: 202274904
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 07-2005

```
> Findings for Section NE 1, for:
[Setting Sun Hutterian Brethren In, Delmont, SD 57330]
(page 2)
```

4:

Update for findings for IRS data (Section LF and Section NE 1):

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2005 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2005-2008.

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2(a):

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2005 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 2(b):

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2005-2008.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$160,321.00 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$160,321 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2005-2008.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

4.

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Setting Sun Hutterian Brethren In, Delmont, SD 57330]

IRS Organization Name and Address:

[Setting Sun Hutterian Brethren Inc, 40248 293rd St, Delmont, SD 57330-6908]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Setting Sun Hutterian Brethren In, Delmont, SD 57330

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Shannon Hutterian Brethren, Winfred, SD 57076

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Shannon Hutterian Brethren is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony.

Data for Shannon Hutterian Brethren for ID as a Hutterite colony:

- 1) Name: Shannon Hutterian Brethren, Winfred, SD 57076
- 2) Hutterite Directory (for Shannon Colony): Shannon, 43945 Hwy 34, Winfred, SD 57076-7005 2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar but their locations are different. The locations as Alexandria, SD, and Winfred, SD, are within a 35-mile radius according to a Rand McNally map (2007). There is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Shannon Hutterian Brethren, Winfred, SD 57076]

IRS Organization Name and Location:

[Shannon Hutterian Brethren Incorporated, Alexandria, SD 57311-7207]

If the 2 names are the same identity then IRC section 501(d) indicates the organization is a tax-exempt nonprofit religious organization but the ruling date is 07/2007 so cannot confirm the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/3/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07/2007 = IRS] [200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 2007..... = NCCS] [200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07-2007 = Melissa Data] [no data......, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07/2007 = TaxExemptWorld.com]

Comparison of data demonstrates all data is the same basic data.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 11/3/09.

Different Business Names:

1) Manta data: Shannon Colony also does business as Coop Dakota Pork

(page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Shannon Hutterian Brethren Incorporated] is the same for the new data from 7/22/2011 and the original data from 11/3/2009 found in Section LF. 2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/3/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07/2007 = IRS]

[200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07-2007 = Melissa Data]

[200277931, Shannon Hutterian Brethren Incorporated, SD, 501(d), 07-2007 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data.

2(c):

Melissa Data address comparison:

[Shannon Hutterian Brethren Incorporated, 26209 Rockport Rd, Alexandria, SD 57311-7207 = Melissa Data (11/3/2009)]

[Shannon Hutterian Brethren Incorporated, 26209 Rockport Rd, Alexandria, SD 57311-7207 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 7/22/2011 and 11/3/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Shannon Hutterian Brethren Incorporated, 26209 Rockport Rd, Alexandria, SD 57311-7207]

- 2) Employer Identification Number (EIN): 200277931
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 07/2007

Melissa Data (7/22/2011):

1) Name:

[Shannon Hutterian Brethren Incorporated, 26209 Rockport Rd, Alexandria, SD 57311-7207]

2) Tax I.D. Number: 200277931

3) IRS Subsection: 501(d) - A religious and apostolic association.

4) Exempt Since: 07-2007

> Findings for Section NE 1, for: [Shannon Hutterian Brethren, Winfred, SD 57076] (page 2)

4:

Update for findings for IRS data (Section LF and Section NE 1):

a:

The IRS organization name is not the same as the USDA business name. The 2 names are similar but their locations are different. The locations as Alexandria, SD, and Winfred, SD, are within a 35-mile radius according to a Rand McNally map (2007). There is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2007 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

b:

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2004-2010.

5:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for: [Shannon Hutterian Brethren, Winfred, SD 57076] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2(a):

The IRS organization name is not the same as the USDA business name. The 2 names are similar but their locations are different. The locations as Alexandria, SD, and Winfred, SD, are within a 35-mile radius according to a Rand McNally map (2007). There is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 07/2007 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

2(b):

'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2004-2010.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Shannon Hutterian Brethren, Winfred, SD 57076]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$233,269.03 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$233,269 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 2004-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Shannon Hutterian Brethren, Winfred, SD 57076] (page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Shannon Hutterian Brethren, Winfred, SD 57076]

IRS Organization Name and Address:

[Shannon Hutterian Brethren Incorporated, 26209 Rockport Rd, Alexandria, SD 57311-7207]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Shannon Hutterian Brethren, Winfred, SD 57076

Timeframe for IRC section data: 2004-2010

Data from Section LF:

Hutterite Directory (for Shannon Colony): Shannon, 43945 Hwy 34, Winfred, SD 57076-7005 Different Business Names:

1) Manta data: Shannon Colony also does business as Coop Dakota Pork [Shannon Colony, 43945 SD Highway 34, Winfred, SD 57076-7005]

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Spink Hutterian Inc, Frankfort, SD 57440

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Spink Hutterian Inc fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony and member of the Hutterian Brethren Church due to a lack of evidence.

Data for Spink Hutterian Inc that fits a profile of a Hutterite colony:

- 1) Name: Spink Hutterian Inc, Frankfort, SD 57440 (USDA farm subsidy recipient)
- 2) EWG/USDA ownership shares data, Hutterite Surnames: Hofer, Waldner, Wipf
- 3) IRS EO/BMF data:
  - a) Name: Spink Hutterian Brethren, Frankfort, SD 57440-7207
  - b) IRC Section:
    - 1) IRM Table: 501(d) Apostolic and religious organization
    - 2) SOI Table: 501(d) Apostolic and Religious Org.
- 4) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (County) State/Province | Parent Colony 1945 | Spink, South Dakota | Frankford (Spink) SD | Bon Homme, South Dakota (note 1: AAA map of South Dakota spells 'Frankford' as 'Frankfort'. Rand McNally map of South Dakota (2007) shows only 'Frankfort', and 'Spink Colony' is within a 10-mile radius of 'Frankfort'.)

(note 2: a province or state has been added to the 'Colony Name' and 'Parent Colony' by FEEFHS for a flat file database for the Internet)]

5) GAMEO/Hutterite colony data:

[(Schmiedeleut Bruderhofs in South Dakota)

Name of Colony | Address | Founded | Pop. 1957 | Head Preacher

Spink | Frankfort | 1945 | 142 | John Wipf]

6) Hutterite Directory (for Spink Colony): Spink, 18206 Spink Lane, Frankfort, SD 57440-7207 2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Spink Hutterian Inc, Frankfort, SD 57440]

IRS Organization Name and Location:

[Spink Hutterian Brethren, Frankfort, SD 57440-7207]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 03/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460360086, Spink Hutterian Brethren, SD, 501(d), 03/1981 = IRS] [460360086, Spink Hutterian Brethren Wipf Paul Etal Ptr, SD, 501(d), 1981 = NCCS] [460360086, Spink Hutterian Brethren Wipf Paul Etal Ptr, SD, 501(d), 03-1981 = Melissa Data] [no data......, Spink Hutterian Brethren, SD, 501(d), 03/1981 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name, disregarding the inclusion of a secondary name, and indicates the organization is active as of 11/4/09.

5

Different Business Names:

1) Manta data: Spink Colony Shop

6

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Spink Hutterian Inc, Frankfort, SD 57440]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$1,766,931.06 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$1,766,931 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

> Findings for Section NE 1, for:

[Spink Hutterian Inc, Frankfort, SD 57440]

(page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Spink Hutterian Brethren Wipf Paul Etal Ptr] is the same for the new data from 7/22/2011 and the original data from 11/4/2009 found in Section LF. 2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460360086, Spink Hutterian Brethren, SD, 501(d), 03/1981 = IRS]

[460360086, Spink Hutterian Brethren Wipf Paul Etal Ptr, SD, 501(d), 03-1981 = Melissa Data]

[460360086, Spink Hutterian Brethren Wipf Paul Etal Ptr, SD, 501(d), 03-1981 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

2(c):

Melissa Data address comparison:

[Spink Hutterian Brethren Wipf Paul Etal Ptr, 18206 Spink Ln, Frankfort, SD 57440-7207 = Melissa Data (11/4/2009)]

[Spink Hutterian Brethren Wipf Paul Etal Ptr, 18206 Spink Ln, Frankfort, SD 57440-7207 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 7/22/2011 and 11/4/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Spink Hutterian Brethren, 18206 Spink Ln, Frankfort, SD 57440-7207]

- 2) Secondary Name: Wipf Paul Etal Ptr
- 3) Employer Identification Number (EIN): 460360086
- 4) IRC Section: 501(d) Apostolic and religious organization
- 5) Ruling Date: 03/1981

Melissa Data (7/22/2011):

1) Name:

[Spink Hutterian Brethren Wipf Paul Etal Ptr 18206 Spink Ln, Frankfort, SD 57440-7207]

- 2) Tax I.D. Number: 460360086
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 03-1981

```
> Findings for Section NE 1, for:
[Spink Hutterian Inc, Frankfort, SD 57440]
(page 2)
4:
```

Update for findings for IRS data (Section LF and Section NE 1):

a

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 03/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for: [Spink Hutterian Inc, Frankfort, SD 57440] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 03/1981 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Spink Hutterian Inc, Frankfort, SD 57440]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$2,034,959.47 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$2,034,959 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

> Conclusion for Section NE 1, for:

[Spink Hutterian Inc, Frankfort, SD 57440]

(page 2)

4:

Recommendation:

> Step 1

Determine if organization is a Hutterite colony.

Name: Spink Hutterian Inc, Frankfort, SD 57440

Hutterite surnames found with USDA ownership shares data 2010:

[Decker, Glanzer, Hofer, Stahl, Waldner, Wipf, Wollman]

IRS EO/BMF data:

[Spink Hutterian Brethren, 18206 Spink Ln, Frankfort, SD 57440-7207]

Hutterite Directory (for Spink Colony): Spink, 18206 Spink Lane, Frankfort, SD 57440-7207

> Step 2

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Spink Hutterian Inc, Frankfort, SD 57440]

IRS Organization Name and Address:

[Spink Hutterian Brethren, 18206 Spink Ln, Frankfort, SD 57440-7207]

> Step 3

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Spink Hutterian Inc, Frankfort, SD 57440

Timeframe for IRC section data: 1995-2010

Data from Section LF:

Hutterite Directory (for Spink Colony): Spink, 18206 Spink Lane, Frankfort, SD 57440-7207

Different Business Names:

1) Manta data: Spink Colony Shop, 18206 Spink Ln, Frankfort, SD 57440-7207

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

The information provided for the Welland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wellands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wellands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Spring Lake Colony, Arlington, SD 57212

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Spring Lake Colony fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony and member of the Hutterian Brethren Church due to a lack of evidence.

Data for Spring Lake Colony that fits a profile of a Hutterite colony:

- 1) Name: Spring Lake Colony, Arlington, SD 57212 (USDA farm subsidy recipient)
- 2) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1978 | Spring Lake | Arlington | Wolf Creek | Decker]

3) Rocky Cape Christian Community/Hutterite colony data: [Spring Lake, SD, 1978 - present (note: Schmiedeleut)]

4) Hutterite Directory (for Spring Lake Colony): [Spring Lake, 21727-452 Ave., Arlington, SD 57212-7309]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Spring Lake Colony, Arlington, SD 57212]

IRS Organization Name and Location:

[Spring Lake Hutterian Brethren Inc, Arlington, SD 57212-7309]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization. 3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460360021, Spring Lake Hutterian Brethren Inc, SD, 501(d), 01/1982 = IRS]

[460360021, Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, SD, 501(d), 1982 = NCCS]

[460360021, Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, SD, 501(d), 01-1982 = Melissa Data]

[no data....., Spring Lake Hutterian Brethren Inc, SD, 501(d), 01/1982 =

TaxExemptWorld.com]

Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

4.

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name, disregarding the inclusion of a secondary name, and indicates the organization is active as of 11/4/09.

5.

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Spring Lake Colony, Arlington, SD 57212]

USDA farm subsidy total:

1) Subsidy Total 1995-2006: \$1,266,067.00 (note: exact calculation)

2) Subsidy Payments 1995-2006 Total: \$1,266,067 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: The organization fits a profile of a Hutterite colony but cannot confirm identity as a Hutterite colony due to a lack of evidence.

> Findings for Section NE 1, for:

Refer to the original findings for Section LF for data. This findings includes updated data.

2:

Farm Location(s)' (addresses on file) subsidy payments data shows a data conflict. The data conflict will not invalidate the figure [Subsidy Total 1995-2010: \$1,568,028.14] because

'Programs' (Payment Breakdown) data will validate the figure. The data is:

Total USDA - Subsidies = \$1,568,028

Subtotal, Farming Subsidies = \$1,427,712

Subtotal, Conservation Programs = \$26,169

Subtotal, Disaster Payments = \$114,148

(note: EWG will express a exact figure as a rounded off figure for their calculations)

The Melissa Data webpage data for [Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr] is the same for the new data from 7/22/2011 and the original data from 11/4/2009 found in Section LF.

4(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460360021, Spring Lake Hutterian Brethren Inc, SD, 501(d), 01/1982 = IRS]

[460360021, Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, SD, 501(d), 01-1982 = Melissa Data]

[460360021, Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, SD, 501(d), 01-1982 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

4(c):

Melissa Data address comparison:

[Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, 21727 452nd Ave, Arlington, SD 57212-7309 = Melissa Data (11/4/2009)]

[Spring Lake Hutterian Brethren Inc Joe Decker Etal Ptr, 21727 452nd Ave, Arlington, SD 57212-7309 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

4(d):

The Employer Identification Number (EIN) from 4(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 4(b) and 4(c) is the same from 7/22/2011 and 11/4/2009.

IRS EO/BMF data (12/7/2009):

- 2) Secondary Name: Joe Decker Etal Ptr
- 3) Employer Identification Number (EIN): 460360021
- 4) IRC Section: 501(d) Apostolic and religious organization
- 5) Ruling Date: 01/1982

Melissa Data (7/22/2011):

```

Update for findings for IRS data (Section LF and Section NE 1):

a.

The IRS organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 7:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Spring Lake Colony, Arlington, SD 57212]

(page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business name. The 2 names represent a common identity and are in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Spring Lake Colony, Arlington, SD 57212]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$1,568,028.14 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$1,568,028 (note: rounded off calculation) (note: 'Subsidy Payments' data shows a data conflict but 'Programs' (Payment Breakdown) data will validate the 'Subsidy Total' figure)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown)

Ruling Date: (unknown)
Operating As: Hutterite colony

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Spring Lake Colony, Arlington, SD 57212]

IRS Organization Name and Address:

[Spring Lake Hutterian Brethren Inc, 21727 452nd Ave, Arlington, SD 57212-7309]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Spring Lake Colony, Arlington, SD 57212

Timeframe for IRC section data: 1995-2010

Data from Section LF:

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a resuit, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the date provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Thunderbird Colony, Faulkton, SD 57438

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Thunderbird Colony is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on data for ID as a Hutterite colony. Thunderbird Colony is a recognized Hutterite colony, Hutterite surnames are found at Thunderbird Colony, and Thunderbird Colony is included in the Hutterite Directory.

Data for Thunderbird Colony for ID as a Hutterite colony:

- 1) Name: Thunderbird Colony, Faulkton, SD 57438
- 2) EWG/USDA ownership shares data, Hutterite Surnames: [Kleinsasser, Stahl, Waldner, Wollman, Wurtz]
- 3) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (County) State/Province | Parent Colony 1963 | Thunderbird, South Dakota | Wecota (Faulk) SD | Glendale, South Dakota (note: a province or state has been added to the 'Colony Name' and 'Parent Colony' by FEEFHS for a flat file database for the Internet)]

4) Hutterite Directory (for Thunderbird Colony): [Thunderbird, 15185 - 346th Ave., Faulkton, SD 57438-9326]

2:

IRS EO/BMF data not found so do not know IRC section.

3:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Thunderbird Colony, Faulkton, SD 57438]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$1,076,942.66 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$1,076,943 (note: rounded off calculation)

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

- > Findings for Section NE 1, for:
- a) Original Subject: Thunderbird Colony, Faulkton, SD 57438
- b) Subject for Section NE 1: Thunderbird Colony, Wecota, SD 57438 (page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

USDA data for the location of [Thunderbird Colony] has changed from the original data. The data is:

- a) Thunderbird Colony, Faulkton, SD 57438 (original data from Section LF, 11/4/2009)
- b) Thunderbird Colony, Wecota, SD 57438 (new data from Section NE 1, 7/22/2011)

The USDA farm subsidy data record from EWG's 'Summary' data is the same for both organizations from 1995-2006 so they are the same identity. 'Ownership shares' data for both organizations shows they have the same Hutterite surnames in common as [Kleinsasser, Stahl, Waldner, Wollman, Wurtz].

2(b):

USDA farm subsidy data will establish that these names are the same identity:

- a) Thunderbird Colony, Faulkton, SD 57438 (original subject from Section LF)
- b) Thunderbird Colony, Wecota, SD 57438 (subject from Section NE 1)

3:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

- > Conclusion for Section NE 1, for:
- a) Original Subject: Thunderbird Colony, Faulkton, SD 57438
- b) Subject for Section NE 1: Thunderbird Colony, Wecota, SD 57438 (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2

IRS EO/BMF data not found for original evidence.

Melissa Data not found for new evidence so do not know IRC section.

3

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Tschetter Huterian Brethern Inc, Olivet, SD 57052

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Tschetter Huterian Brethern Inc is confirmed as a Hutterite colony and member of the Hutterian Brethern Church based on data for ID as a Hutterite colony. Huterian Brethern is a misspelling of Hutterian Brethern. Hutterite surnames are found at Tschetter Huterian Brethern Inc.

Data for Tschetter Huterian Brethern Inc for ID as a Hutterite colony:

- 1) Name: Tschetter Huterian Brethern Inc, Olivet, SD 57052
- 2) EWG/USDA ownership shares data, Hutterite Surnames: Decker, Hofer
- 3) IRS EO/BMF data:
  - a) Name: Tschetter Hutterian Brethren Inc, Olivet, SD 57052-5902
  - b) IRC Section:
    - 1) IRM Table: 501(d) Apostolic and religious organization
    - 2) SOI Table: 501(d) Apostolic and Religious Org.
- 4) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (County) State/Province | Parent Colony 1942 | Tschetter, South Dakota | Olivet (Hutchinson) SD | Barickman, Manitoba (note: a province or state has been added to the 'Colony Name' and 'Parent Colony' by FEEFHS for a flat file database for the Internet)]

5) GAMEO/Hutterite colony data:

[(Schmiedeleut Bruderhofs in South Dakota)

Name of Colony | Address | Founded | Pop. 1957 | Head Preacher

Tschetter | Olivet | 1942 | 144 | David Decker, Sr.]

6) Hutterite Directory (for Tschetter Colony):

[Tschetter, 27709 Tschetter Ave., Olivet, SD 57052-5902]

7.

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052]

IRS Organization Name and Location:

[Tschetter Hutterian Brethren Inc, Olivet, SD 57052-5902]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 12/1994 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 12/1994 = IRS]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 1994.....= NCCS]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 12-1994 = Melissa Data]

[no data......, Tschetter Hutterian Brethren Inc, SD, 501(d), 12/1994 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data.

4.

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 11/4/09.

Different Business Names:

1) Manta data:

[Tschetter Hutterian Brethern Farming Inc also does business as Tschetter Clny Elementary Schl]

6:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$1,228,108.13 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$1,228,108 (note: rounded off calculation)

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

> Findings for Section NE 1, for:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052] (page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2:

Farm Location(s)' (addresses on file) subsidy payments data shows a data conflict. The data conflict will not invalidate the figure [Subsidy Total 1995-2010: \$1,669,589.06] because 'Programs' (Payment Breakdown) data will validate the figure. The data is:

Total USDA - Subsidies = \$1,669,589

Subtotal, Farming Subsidies = \$1.373.091

Subtotal, Conservation Programs = \$133,739

Subtotal, Disaster Payments = \$162.759

(note: EWG will express a exact figure as a rounded off figure for their calculations) 3(a):

The Melissa Data webpage data for [Tschetter Hutterian Brethren Inc] is the same for the new data from 7/22/2011 and the original data from 11/4/2009 found in Section LF. 3(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 12/1994 = IRS]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 12-1994 = Melissa Data]

[466016035, Tschetter Hutterian Brethren Inc, SD, 501(d), 12-1994 = Melissa Data (7/22/2011)] Comparison of data demonstrates all data is the same basic data.

3(c):

Melissa Data address comparison:

[Tschetter Hutterian Brethren Inc, 27709 Tschetter Ave, Olivet, SD 57052-5902 = Melissa Data (11/4/2009)]

[Tschetter Hutterian Brethren Inc, 27709 Tschetter Ave, Olivet, SD 57052-5902 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

3(d):

The Employer Identification Number (EIN) from 3(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 3(b) and 3(c) is the same from 7/22/2011 and 11/4/2009.

> Findings for Section NE 1, for:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052] (page 2)

4:

IRS EO/BMF data (12/7/2009):

1) Name:

[Tschetter Hutterian Brethren Inc, 27709 Tschetter Ave, Olivet, SD 57052-5902]

- 2) Employer Identification Number (EIN): 466016035
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 12/1994 Melissa Data (7/22/2011):

1) Name:

[Tschetter Hutterian Brethren Inc, 27709 Tschetter Ave, Olivet, SD 57052-5902]

- 2) Tax I.D. Number: 466016035
- 3) IRS Subsection: 501(d) A religious and apostolic association.

4) Exempt Since: 12-1994

Update for findings for IRS data (Section LF and Section NE 1):

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 12/1994 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

6:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 12/1994 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$1,669,589.06 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$1,669,589 (note: rounded off calculation) (note: 'Subsidy Payments' data shows a data conflict but 'Programs' (Payment Breakdown) data will validate the 'Subsidy Total' figure)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2001, 2003-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052] (page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Tschetter Huterian Brethern Inc, Olivet, SD 57052]

IRS Organization Name and Address:

[Tschetter Hutterian Brethren Inc, 27709 Tschetter Ave, Olivet, SD 57052-5902]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Tschetter Huterian Brethern Inc, Olivet, SD 57052

Timeframe for IRC section data: 1995-2010

Data from Section LF:

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Upland Htt Breth Inc, Artesian, SD 57314

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Upland Htt Breth Inc is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on data for ID as a Hutterite colony. Htt Breth is a abbreviated form of Hutterian Brethren. Hutterite surnames are found at Upland Htt Brethren Inc as a different business name for Upland Htt Breth Inc.

Data for Upland Htt Breth Inc for ID as a Hutterite colony:

- 1) Name: Upland Htt Breth Inc, Artesian, SD 57314
- 2) EWG/USDA farm subsidy data:

['Addresses on file with USDA' data for [Upland Htt Breth Inc, Artesian, SD 57314]. The USDA data indicates Upland Htt Breth Inc received farm subsidies as Upland Htt Brethren Inc at the same address as [Artesian, SD 57314]. The data record indicates the 2 names are the same identity. (Section LF(A)List 1(2)), (Section SF(A)List 1(2))]

- 3) EWG/USDA ownership shares data, Hutterite Surnames: Waldner, Wipf, Wurtz (note: data is for Upland Htt Brethren Inc, no data for Upland Htt Breth Inc)
- 4) IRS EO/BMF data:
  - a) Name: Upland Hutterian Brethren Inc, Artesian, SD 57314-6009
  - b) IRC Section:
    - 1) IRM Table: 501(d) Apostolic and religious organization
    - 2) SOI Table: 501(d) Apostolic and Religious Org.
- 5) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (SD) | Parent Colony | Leading Surnames 1988 | Upland | Artesian | Spring Valley | Wurtz]

6) Rocky Cape Christian Community/Hutterite colony data:

[Upland, SD, 1988 - present (note: Schmiedeleut)]

7) Hutterite Directory (for Upland Colony): Upland, 24221 - 412 Ave., Artesian, SD 57314-6009 2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Upland Htt Breth Inc, Artesian, SD 57314]

IRS Organization Name and Location:

[Upland Hutterian Brethren Inc, Artesian, SD 57314-6009]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460360017, Upland Hutterian Brethren Inc, SD, 501(d), 01/1982 = IRS] [460360017, Upland Hutterian Brethren Inc Wurtz John Etal Ptr, SD, 501(d), 1982 = NCCS] [460360017, Upland Hutterian Brethren Inc Wurtz John Etal Ptr, SD, 501(d), 01-1982 = Melissa Data]

[no data......, Upland Hutterian Brethren Inc, SD, 501(d), 01/1982 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name, disregarding the inclusion of a secondary name, and indicates the organization is active as of 11/4/09.

5:

Different Business Names:

- 1) EWG/USDA farm subsidy data: Upland Htt Brethren Inc (Section LF(A)List 1(2)), (Section SF(A)List 1(2))
- 2) Manta data:

[Upland Colony also does business as Upland Colony School, Sanborn Central School District 55-5]

6:

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Upland Htt Breth Inc. Artesian, SD 57314]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2006: \$1,625,347.68 (note: exact calculation)
- 2) Subsidy Payments 1995-2006 Total: \$1,625,348 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: Hutterite colony

> Findings for Section NE 1, for:

[Upland Htt Breth Inc, Artesian, SD 57314]

(page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2:

Farm Location(s)' (addresses on file) subsidy payments data shows a data conflict. The data conflict will not invalidate the figure [Subsidy Total 1995-2010: \$2,028,822.68] because 'Programs' (Payment Breakdown) data will validate the figure. The data is:

Total USDA - Subsidies = \$2,028,823

Subtotal, Farming Subsidies = \$1,783,641

Subtotal, Conservation Programs = \$83,023

Subtotal, Disaster Payments = \$162,159

(note: EWG will express a exact figure as a rounded off figure for their calculations) 3(a):

The Melissa Data webpage data for [Upland Hutterian Brethren Inc Wurtz John Etal Ptr] is the same for the new data from 7/22/2011 and the original data from 11/4/2009 found in Section LF. 3(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460360017, Upland Hutterian Brethren Inc, SD, 501(d), 01/1982 = IRS]

[460360017, Upland Hutterian Brethren Inc Wurtz John Etal Ptr, SD, 501(d), 01-1982 = Melissa Data]

[460360017, Upland Hutterian Brethren Inc Wurtz John Etal Ptr, SD, 501(d), 01-1982 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

3(c):

Melissa Data address comparison:

[Upland Hutterian Brethren Inc Wurtz John Etal Ptr, 24221 412th Ave, Artesian, SD 57314-6009 = Melissa Data (11/4/2009)]

[Upland Hutterian Brethren Inc Wurtz John Etal Ptr, 24221 412th Ave, Artesian, SD 57314-6009 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

3(d):

The Employer Identification Number (EIN) from 3(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 3(b) and 3(c) is the same from 7/22/2011 and 11/4/2009.

```
> Findings for Section NE 1, for:
[Upland Htt Breth Inc. Artesian, SD 57314]
(page 2)
4:
IRS EO/BMF data (12/7/2009):
1) Name:
```

[Upland Hutterian Brethren Inc, 24221 412th Ave, Artesian, SD 57314-6009]

2) Secondary Name: Wurtz John Etal Ptr

3) Employer Identification Number (EIN): 460360017

4) IRC Section: 501(d) Apostolic and religious organization

5) Ruling Date: 01/1982 Melissa Data (7/22/2011):

1) Name:

[Upland Hutterian Brethren Inc Wurtz John Etal Ptr 24221 412th Ave, Artesian, SD 57314-60091

2) Tax I.D. Number: 460360017

3) IRS Subsection: 501(d) - A religious and apostolic association.

4) Exempt Since: 01-1982

Update for findings for IRS data (Section LF and Section NE 1):

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 6:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for: [Upland Htt Breth Inc, Artesian, SD 57314] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Upland Htt Breth Inc. Artesian, SD 57314]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$2,028,822.68 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$2,028,823 (note: rounded off calculation) (note: 'Subsidy Payments' data shows a data conflict but 'Programs' (Payment Breakdown) data will validate the 'Subsidy Total' figure)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Upland Htt Breth Inc, Artesian, SD 57314]

(page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Upland Htt Breth Inc, Artesian, SD 57314]

[A.K.A. (also known as): Upland Htt Brethren Inc, Artesian, SD 57314]

IRS Organization Name and Address:

[Upland Hutterian Brethren Inc, 24221 412th Ave, Artesian, SD 57314-6009]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Upland Htt Breth Inc, Artesian, SD 57314

Timeframe for IRC section data: 1995-2010

Data from Section LF:

Hutterite Directory (for Upland Colony): Upland, 24221 - 412 Ave., Artesian, SD 57314-6009 Different Business Names:

1) EWG/USDA farm subsidy data:

a) Name: Upland Htt Brethren Inc, Artesian, SD 57314 (Section LF(A)List 1(2)), (Section SF(A)List 1(2))

- b) Name: Upland Htt Brethren, Inc, Artesian, SD 57314 (Section NE 1, (A)List 1(2))
- 2) Manta data:

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration. which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

List of Evidence for Hutterite colonies as USDA farm subsidy recipients

Subject: Westwood Hutterian Brethren Inc, Britton, SD 57430

Location by State: South Dakota

Status: Investigation as EO (Exempt Organization)

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1:

Westwood Hutterian Brethren Inc is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on name and data for ID as a Hutterite colony.

Data for Westwood Hutterian Brethren Inc for ID as a Hutterite colony:

- 1) Name: Westwood Hutterian Brethren Inc, Britton, SD 57430
- 2) IRS EO/BMF data:
  - a) Name: Westwood Hutterian Brethren Inc, Claremont, SD 57432-5808
  - b) IRC Section:
    - 1) IRM Table: 501(d) Apostolic and religious organization
    - 2) SOI Table: 501(d) Apostolic and Religious Org.
- 3) Hutterite Directory (for Westwood Colony):

[Westwood, 499 Westwood Rd., Britton, SD 57430]

2:

IRS EO/BMF data found and the organization name is the same as the USDA business name but the location is different. The IRS location is [Claremont, SD 57432-5808] and the USDA location is [Britton, SD 57430].

USDA Business Name and Location:

[Westwood Hutterian Brethren Inc, Britton, SD 57430]

IRS Organization Name and Location:

[Westwood Hutterian Brethren Inc, Claremont, SD 57432-5808]

As data:

- 1) According to a Rand McNally map (2007) Claremont, SD, and Britton, SD, are within a 18-mile radius.
- 2) According to EWG/USDA farm subsidy data for ownership shares (2006) for [Westwood Hutterian Brethren Inc, Britton, SD 57430] the members of [Westwood Colony, Claremont, SD 57432] have a 100% ownership share.

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 09/1991 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 09/1991 = IRS]

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 1991.....= NCCS]

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 09-1991 = Melissa Data]

[no data....., Westwood Hutterian Brethren Inc, SD, 501(d), 09/1991 = TaxExemptWorld.com]

Comparison of data demonstrates all data is the same basic data. The data from

TaxExemptWorld.com can be disregarded since the address for Westwood Hutterian Brethren Inc is in Britton, SD, instead of Claremont, SD.

4:

The data from IRS, NCCS, and Melissa Data shows the location of Westwood Hutterian Brethren Inc as Claremont, SD. The data from TaxExemptWorld.com shows the location of Westwood Hutterian Brethren Inc as Britton, SD. The data from the Hutterite Directory shows the location of Westwood Colony as Britton, SD. The USDA location for Westwood Hutterian Brethren Inc is Britton, SD.

5:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS and Melissa Data for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name and indicates the organization is active as of 11/4/09.

6

Dataset for timeframe 1995-2006:

Identity of USDA farm subsidy recipient:

[Westwood Hutterian Brethren Inc, Britton, SD 57430]

USDA farm subsidy total:

1) Subsidy Total 1995-2006: \$1,282,897.64 (note: exact calculation)

2) Subsidy Payments 1995-2006 Total: \$1,282,898 (note: rounded off calculation)

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: Hutterite colony

> Findings for Section NE 1, for:

[Westwood Hutterian Brethren Inc, Britton, SD 57430] (page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Westwood Hutterian Brethren Inc] is the same for the new data from 7/22/2011 and the original data from 11/4/2009 found in Section LF. 2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 7/22/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 09/1991 = IRS1

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 09-1991 = Melissa Data]

[460415870, Westwood Hutterian Brethren Inc, SD, 501(d), 09-1991 = Melissa Data (7/22/2011)]

Comparison of data demonstrates all data is the same basic data.

2(c):

Melissa Data address comparison:

[Westwood Hutterian Brethren Inc, 11796 414th Ave, Claremont, SD 57432-5808 = Melissa Data (11/4/2009)]

[Westwood Hutterian Brethren Inc, 11796 414th Ave, Claremont, SD 57432-5808 = Melissa Data (7/22/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 7/22/2011 and 11/4/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Westwood Hutterian Brethren Inc, 11796 414th Ave, Claremont, SD 57432-5808]

- 2) Employer Identification Number (EIN): 460415870
- 3) IRC Section: 501(d) Apostolic and religious organization
- 4) Ruling Date: 09/1991

Melissa Data (7/22/2011):

1) Name:

[Westwood Hutterian Brethren Inc, 11796 414th Ave, Claremont, SD 57432-5808]

- 2) Tax I.D. Number: 460415870
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 09-1991

```
> Findings for Section NE 1, for:
[Westwood Hutterian Brethren Inc, Britton, SD 57430]
(page 2)
4:
```

Update for findings for IRS data (Section LF and Section NE 1):

 $\mathbf{a}$ 

The IRS organization name is the same as the USDA business name but the location is different. According to a Rand McNally map (2007) the locations are within a 18-mile radius so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 09/1991 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

5:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[Westwood Hutterian Brethren Inc, Britton, SD 57430] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2

The IRS organization name is the same as the USDA business name but the location is different. According to a Rand McNally map (2007) the locations are within a 18-mile radius so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 09/1991 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

3:

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Westwood Hutterian Brethren Inc, Britton, SD 57430]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$1,587,957.90 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$1,587,958 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown) Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Westwood Hutterian Brethren Inc, Britton, SD 57430] (page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Westwood Hutterian Brethren Inc, Britton, SD 57430]

IRS Organization Name and Address:

[Westwood Hutterian Brethren Inc, 11796 414th Ave, Claremont, SD 57432-5808]

The IRS location is [Claremont, SD 57432-5808] and the USDA location is [Britton, SD 57430]. As data:

- 1) According to a Rand McNally map (2007) Claremont, SD, and Britton, SD, are within a 18-mile radius.
- 2) According to EWG/USDA farm subsidy data for ownership shares (2006) for [Westwood Hutterian Brethren Inc, Britton, SD 57430] the members of [Westwood Colony, Claremont, SD 57432] have a 100% ownership share.

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Westwood Hutterian Brethren Inc, Britton, SD 57430

Timeframe for IRC section data: 1995-2010

Data from Section LF:

TaxExemptWorld.com data:

[Westwood Hutterian Brethren Inc, 499 Westwood Rd, Britton, SD 57430-5158]

Hutterite Directory (for Westwood Colony): Westwood, 499 Westwood Rd., Britton, SD 57430

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

1.

Refer to the original findings for Section LF for data. This findings includes updated data.

'Farm Location(s)' (addresses on file) subsidy payments data shows a data conflict. The data conflict will not invalidate the figure [Subsidy Total 1995-2010: \$1,275,557.53] because 'Programs' (Payment Breakdown) data will validate the figure. The data is:

Total USDA - Subsidies = \$1,275,558

Subtotal, Farming Subsidies = \$1,016,909

Subtotal, Conservation Programs = \$180.352

Subtotal, Disaster Payments = \$78,297

[White Rock, R.R. 1, Box 94, Rosholt, SD 57260-9542]

(note: there is more ID data in Findings for Section LF)

4.

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for:

[White Rock Huttn Breth Inc, Rosholt, SD 57260] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2:

IRS EO/BMF data not found for original evidence.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

**Note:** The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

<sup>\*</sup> According to USDA percentage shares for ownership may not reflect share of subsidy payments. EWG review shows that share information on file with USDA may not always equal 100 percent. Most recent percentage share information is from 2008. Future release of this information was barred by law in the 2008 Farm Bill.

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Welland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wellands easements under the Wellands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.

Topic: Findings, for Section LF and Section SF, Version 1

Findings (for Section LF and Section SF, Version 1):

1

Wolf Creek Hutterian Brethern is confirmed as a Hutterite colony and member of the Hutterian Brethren Church based on USDA farm subsidy data for 'Addresses on file with USDA' for [Wolf Creek Hutterian Brethern, Olivet, SD 57052] and data for ID as a Hutterite colony. 3) FEEFHS/Hutterite colony data:

[Year Founded | Colony Name | Location: City (County) State/Province | Parent Colony 1963 | Wolf Creek, South Dakota | Olivet (Hutchinson) SD | Tschetter, South Dakota (note: a province or state has been added to the 'Colony Name' and 'Parent Colony' by FEEFHS for a flat file database for the Internet)]

4) Hutterite Directory (for Wolf Creek Colony): [Wolf Creek, 42906 Colony Rd., Olivet, SD 57052-6601]

2:

IRS EO/BMF data found but the organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity.

USDA Business Name and Location:

[Wolf Creek Hutterian Brethern, Olivet, SD 57052]

IRS Organization Name and Location:

[Wolf Creek Hutterian Brethren, Olivet, SD 57052-6601]

If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2006 as a tax-exempt nonprofit religious organization.

3:

Comparison of IRS EO/BMF data with NCCS, Melissa Data, and TaxExemptWorld.com data: [Data Date: (IRS 12/7/2009), (NCCS, Melissa Data, and TaxExemptWorld.com, 11/4/2009)] [Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date] [460360019, Wolf Creek Hutterian Brethren, SD, 501(d), 01/1982 = IRS] [460360019, Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, SD, 501(d), 1982 = NCCS] [460360019, Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, SD, 501(d), 01-1982 = Melissa Data]

[no data......, Wolf Creek Hutterian Brethren, SD, 501(d), 01/1982 = TaxExemptWorld.com] Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

4:

IRS EO/BMF data indicates the organization is not required to file Form 990. Data from NCCS, Melissa Data, and TaxExemptWorld.com for the same organization indicates the organization is not required to file Form 990. The organization is classified as IRC section 501(d) and files Form 1065 so the data for Form 990 is correct.

NCCS data for organization name is the same as the IRS organization name, disregarding the inclusion of a secondary name, and indicates the organization is active as of 11/4/09.

(page 1)

1:

Refer to the original findings for Section LF for data. This findings includes updated data. 2(a):

The Melissa Data webpage data for [Wolf Creek Hutterian Brethren Decker Paul Gen Ptr] is the same for the new data from 12/17/2011 and the original data from 11/4/2009 found in Section LF.

2(b):

Comparison of Melissa Data data with [IRS EO/BMF data and Melissa Data data as original data from Section LF]:

[Data Date: (Melissa Data 12/17/2011), (IRS 12/7/2009, Melissa Data 11/4/2009)]

[Data: EIN, Organization Name, Location by State, IRC Section, Ruling Date]

[460360019, Wolf Creek Hutterian Brethren, SD, 501(d), 01/1982 = IRS]

[460360019, Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, SD, 501(d), 01-1982 = Melissa Data]

[460360019, Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, SD, 501(d), 01-1982 = Melissa Data (12/17/2011)]

Comparison of data demonstrates all data is the same basic data disregarding the inclusion of a secondary name.

2(c):

Melissa Data address comparison:

[Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, 42906 Colony Rd, Olivet, SD 57052-6601 = Melissa Data (11/4/2009)]

[Wolf Creek Hutterian Brethren Decker Paul Gen Ptr, 42906 Colony Rd, Olivet, SD 57052-6601 = Melissa Data (12/17/2011)]

Comparison of data demonstrates the addresses are the same.

2(d):

The Employer Identification Number (EIN) from 2(b) is the same for all 3 datasets so the data is for the same organization. The comparison data for Melissa Data in 2(b) and 2(c) is the same from 12/17/2011 and 11/4/2009.

3:

IRS EO/BMF data (12/7/2009):

1) Name:

[Wolf Creek Hutterian Brethren, 42906 Colony Rd, Olivet, SD 57052-6601]

- 2) Secondary Name: Decker Paul Gen Ptr
- 3) Employer Identification Number (EIN): 460360019
- 4) IRC Section: 501(d) Apostolic and religious organization
- 5) Ruling Date: 01/1982

Melissa Data (12/17/2011):

1) Name:

[Wolf Creek Hutterian Brethren Decker Paul Gen Ptr 42906 Colony Rd, Olivet, SD 57052-6601]

- 2) Tax I.D. Number: 460360019
- 3) IRS Subsection: 501(d) A religious and apostolic association.
- 4) Exempt Since: 01-1982

```
> Findings for Section NE 1, for:
[Wolf Creek Hutterian Brethern, Olivet, SD 57052]
(page 2)
4:
Update for findings for IRS data (Section LF and Section NE 1):
```

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization. 5:

Melissa Data can be established as a valid data source for IRS data from [Findings for documentation as evidence for Hutterite colonies as USDA farm subsidy recipients] that will establish that there are 100 organizations with IRS EO/BMF data and Melissa Data data with the same IRS Employer Identification Number (EIN) and Melissa Data data that can be converted to decoded IRS EO/BMF data, so the data is for the same organization.

> Conclusion for Section NE 1, for: [Wolf Creek Hutterian Brethern, Olivet, SD 57052] (page 1)

1:

This conclusion is a updated version of the original conclusion for Section LF so refer to this updated conclusion as the new conclusion for Section LF. This conclusion includes a updated dataset with data for timeframe 1995-2010.

2

The IRS organization name is not the same as the USDA business name. The 2 names are similar and in the same location so there is a possibility that the 2 names are the same identity. If the 2 names are the same identity then the IRC section '501(d) Apostolic and religious organization' and the ruling date 01/1982 indicate the organization received USDA farm subsidies during the timeframe 1995-2010 as a tax-exempt nonprofit religious organization.

Dataset for timeframe 1995-2010:

Identity of USDA farm subsidy recipient:

[Wolf Creek Hutterian Brethern, Olivet, SD 57052]

USDA farm subsidy total:

- 1) Subsidy Total 1995-2010: \$1,491,573.18 (note: exact calculation)
- 2) Subsidy Payments 1995-2010 Total: \$1,491,573 (note: rounded off calculation)
- 3) 'Summary' data shows that the farm subsidy payment data for the calculation of the USDA farm subsidy total for 1995-2010 applies to 1995-2010.

IRC Section: (unknown)
Ruling Date: (unknown)

Operating As: Hutterite colony

> Conclusion for Section NE 1, for:

[Wolf Creek Hutterian Brethern, Olivet, SD 57052] (page 2)

4:

Recommendation:

> Step 1

Determine IRS organization name as same identity as USDA business name.

USDA Business Name and Location:

[Wolf Creek Hutterian Brethern, Olivet, SD 57052]

Different Business Names:

1) EWG/USDA farm subsidy data: Wolf Creek Hutterian Brethren, Olivet, SD 57052 (Section LF(A)List 1(2)), (Section SF(A)List 1(2)), (Section NE 1, (A)List 1(2)) (note: organization can be confirmed as a exempt organization (EO) based on a different business name but the search result USDA business name is not a exact match with the IRS organization name so recommendation is not to establish organization as a EO for a court case without official documentation for USDA business names)

IRS Organization Name and Address:

[Wolf Creek Hutterian Brethren, 42906 Colony Rd, Olivet, SD 57052-6601]

> Step 2

If a determination of IRS organization name as same identity as USDA business name cannot be made then a investigation is necessary to find IRC section data from the IRS Business Master File (BMF) for:

Name: Wolf Creek Hutterian Brethern, Olivet, SD 57052

Timeframe for IRC section data: 1995-2010

Data from Section LF:

Hutterite Directory (for Wolf Creek Colony):

[Wolf Creek, 42906 Colony Rd., Olivet, SD 57052-6601]

Different Business Names:

1) EWG/USDA farm subsidy data: Wolf Creek Hutterian Brethren, Olivet, SD 57052 (Section LF(A)List 1(2)), (Section SF(A)List 1(2)), (Section NE 1, (A)List 1(2))

Note: The information on conservation spending for 2010 is incomplete due to missing data from USDA's Natural Resource Conservation Service. Payment data currently are not included for the Environmental Quality Incentives Program, but will be added once NRCS makes it available.

The information provided for the Wetland Reserve Program (WRP) provides an inaccurate picture of how WRP payments are distributed. USDA's Natural Resource Conservation Service uses title companies as intermediaries to finalize wetlands easements under the Wetlands Reserve Program. As a result, the data provided to us shows large sums of money going to these title companies. In reality, the payments are ultimately distributed to landowners participating in the WRP.

Unfortunately, NRCS has not provided the data to show where these farms and wetlands are located or which farmers or landowners are enrolling in the program, so EWG is unable to allocate these large sums of money to individuals beyond the title companies. Therefore, these companies skew the conservation rankings and payment concentration, which EWG cannot avoid unless and until NRCS makes available the additional farm attribution data. Therefore, we have not included WRP payments in the 2010 data update.

Finally, we have separated data on farm commodity, disaster and conservation payments in order to provide a more accurate picture of top recipients and concentration of payments among the three main categories of USDA programs.
